

Give yourself the gift of health!

Cardiovascular Health Screenings are offered at both York Hospital and York Hospital in Wells for only \$75!*

This includes screening for **abdominal aortic aneurysm (AAA)**, **carotid artery disease**, **atrial fibrillation** and **peripheral artery disease (PAD)**. Rely on the experts at York Hospital to assess your overall cardiovascular health this winter by signing up for one of our low-cost, preventive cardiovascular health screenings! Each 1/2 hour appointment will provide screenings for the most life-threatening vascular diseases. Appointments are necessary. Call York Hospital's Heart Health Care team at (207) 351-2424 for more information. Hurry, appointments are limited!

**These screenings are not covered by Medicare and most other insurance companies. Please check with your carrier for details.*
