

York Hospital's Lab draws the early bird!

**Our York Lab Location Now Open at
5:30 AM Weekdays!**

For patients on the go, York Hospital's Outpatient Lab in York is open even earlier - at 5:30 AM - on weekdays!

Just bring your lab slip to our location - no need for an appointment - and we will take care of your outpatient laboratory testing and specimen collection needs. Also, if your provider is not associated with York Hospital, we can still process your lab work here and send results to them, no matter where they are located!

So, when you need a lab test, consider visiting York Hospital's Laboratory, conveniently located right at York Hospital. We are open Monday-Friday 5:30AM - 8PM and Saturdays 6:30AM - Noon. Call 207-351-2348 for more information or visit www.yorkhospital.com.
