

Didn't sign up for a Medicare D plan or need to make changes?

Or are you new to Medicare and need to pick a Medicare D prescription plan? York Hospital is partnering with the Southern Maine Agency on Aging and our Community Health Connection program to offer one-on-one appointments so that community members can get help choosing plans, or make changes to their current plans. The Medicare D open enrollment period runs November 15-December 31, 2007.
