

Urology Associates expands to South Berwick

Urology Associates of York Hospital is expanding to include office hours at South Berwick Medical Services. Certified Urology Nurse Practitioner Jane Berlew is accepting patients at this location and is available to diagnose and treat urological concerns for both men and women.

Urology Associates of York Hospital offers expertise in minimally invasive treatment of benign and malignant prostate conditions in men, and urologic cancers, kidney stones, urinary incontinence and general urology concerns for both men and women. Our team includes board certified urologists, a certified urology nurse practitioner, and dedicated clinicians to offer care that blends state-of-the-art medical expertise with compassionate, individualized attention.

Please call Urology Associates of York Hospital at 207 351-3975 for more information.
