

York Hospital

2026 Art Gallery Call for Art

ENTRY DEADLINE: FRIDAY, OCTOBER 17, 2025

The Art Committee of York Hospital seeks proposals for artwork to be displayed in the hospital Café in 2026. Each artist's work will be on view for four months, and the first exhibition will open in early January. Installations typically include 15-20 works of art; the final number will depend on the size of the pieces and the gallery's current hanging system.

SUBMISSION GUIDELINES: Interested artists should submit the following via email for jury consideration: a biography or combined biography/artist's statement (maximum 500 words) and a digital portfolio consisting of 4-6 representative pieces (JPEGs, each 1-2 MB in size). Artists must indicate at least one portfolio piece to be included in their installation if chosen. That image will be used to promote the exhibition on York Hospital's social media platforms and website gallery page. Submitting artists are encouraged to also include a link to their own website or online gallery for viewing by the Art Committee.

Please email all entry materials to York Hospital Community Relations, info@yorkhospital.com.

SUBMISSIONS MUST BE RECEIVED BY FRIDAY, OCTOBER 17, 2025, FOR CONSIDERATION.*

SELECTION PROCESS: The York Hospital Art Committee will review submissions and notify artists of their decision in November. The Art Committee strives to select inspirational, positive imagery in various two-dimensional media (oils, watercolor, photography, printmaking, mixed media, etc.) and styles (i.e., still life, land- or seascapes, portraits, realistic or abstract).

ADDITIONAL INFORMATION: A signed exhibition acceptance letter will be required of each artist upon being chosen in November. Artists may exhibit pieces that are for sale; a portion of the proceeds from each art sale will be donated to York Hospital. Please note: If a checklist with the name of each work in an artist's exhibition, as well as date created, medium, dimensions, and price (if for sale) is provided via email two weeks prior to the exhibition start date, that information will be included in the [online gallery](#).

* After an artist's artwork has been selected to be exhibited at York Hospital, it is recommended that they wait three years before applying again to give other local artists the same opportunity.
