## 2025 Impact Report

### A Message from President & CEO Patrick Taylor, MD, MBA

Dear Friends,

As we enter a new year and embrace change ahead, we reflect on our collective success and advancement of our mission in the following ways:

- Exceeded our fundraising goal of \$6.4M to create the new state-of-the-art **Petrovich Peterson Cardiac Catheterization Laboratory** to best serve our community's cardiac needs.
- Recruited many talented providers to our community.
- Cultivated 406 new donors in 2025.
- Expanded transportation for cancer patients through a Maine Cancer Foundation grant.
- Advanced our partnership with MaineHealth to sustain operations across southern Maine.

As we move forward with plans to join the MaineHealth family, we would like to reinforce to our donors the fact that all philanthropy raised in this community will remain in this community. It is more important than ever that York Hospital has these local funds to support our mission to enhance the health and wellness of the communities we serve.

This year, we are also reminded of donors who have passed, but continue to support our work, through the Loving Kindness Legacy Program.

With Gratitude,

Patrick A. Taylor, MD  
President & CEO

### Caring for Our Community

#### Baldwin Family Legacy of Philanthropy

York Hospital's 2025 class of four new graduate nurses represents the future of compassionate, high-quality nursing in our community. We're proud to provide this hands-on post-graduate training experience, generously supported by the Baldwin family through **The Diana Baldwin Dunnan Fund for Nursing Excellence at York Hospital**. Thank you!

Pictured in active training for various medical procedures are (from L to R) new nurses Joedine Irons, Madison Heon, and Zoe LaFleur-Kief.

#### York Hospital Caring for All Fund

Through your support, York Hospital was able to make capital improvements such as acquiring Maine's first Stryker iSuite with the Oculan Platform! This unique technology and lens work together to reduce shadows and provide pure white light and so much more — helping our surgical teams see clearly and consistently during the moments that matter most. We're grateful to keep investing in technology that supports exceptional patient care.

Did you know that making a grant recommendation from your donor-advised fund (DAF) could be EASIER than a credit card donation? Cash, check, credit card, appreciated securities, minimum IRA distribution, and DAFs are all easy ways to support York Hospital and receive a tax deduction. **Contact David Hall at David.Hall@yorkhospital.com or (207) 351-3557 to discuss your gift today!**

*York Hospital thanks all donors who helped create the state-of-the-art Petrovich Peterson Cardiac Catheterization Lab ...now best equipped to save lives, because of you!*

## Reflections on 2025

### In Memoriam

York Hospital mourns the passing of Suzanne “Suzi” Raeside who served as a Trustee for decades and will be remembered for her enduring legacy of dedicated service, leadership, and commitment to her community. Heartfelt condolences are extended to the Raeside and Zaramba families and all who knew and loved Suzi.

Pictured above (L to R): York Hospital Trustee Suzi Raeside, Judy Rigmont from the Fabulous Find, Trustee Wendy Cote, York Hospital President & CEO Dr. Patrick Taylor and Chief Philanthropy Officer David Hall at the Fabulous Find in Kittery for a charitable event in support of York Hospital. Also pictured, Suzi’s sister-in-law Nancy Zaramba with Suzi (lower) and York Hospital Philanthropy Manager Hilary Leonhard with Wendy Cote at Suzi’s home in Eliot.

## Cancer Care

### Living Well with Cancer Fund

Local groups like the York Paddle & Pickleball Club, the York High School Boys Hockey Team and the band Fugitive continued to support patients navigating their cancer journeys.

York Hospital President & CEO Dr. Patrick Taylor, Chief Philanthropy Officer David Hall, Social Worker Susan Kelly-Westman and Oncology Practice Manager Mary Ellen Valhos accept a generous donation from the York Boys High School Hockey Team in March 2025.

Pictured (from L to R): Event hosts Dan Mason and Jody Sieben with Kristen Gustavsen Rockin’ in Remembrance of Dave Wilford, late band member and hospital employee, with band Fugitive at the Leavitt Theater, June 2025. Special thanks to event sponsors York Village Dental & Keller Williams Realty and the band Fugitive for donating their performance fee.

**SAVE THE DATE:**  
**Saturday, June 6**

Lace up your sneakers and join our race to help fundraise in support of the Caring for All Fund! Visit the York Hospital website to register today: [www.yorkhospital.com](http://www.yorkhospital.com)

**SAVE THE DATE:**  
**Thursday, August 6**

Classic cars under the stars at the York Golf & Tennis Club! Summer fun in support of the Hancock Family Fund for Healthy Aging. *Invitations to follow!*

### Maine Cancer Foundation Grant

York Hospital is grateful to the Maine Cancer Foundation for awarding a two-year grant in the amount of \$60,000 to help expand transportation services for cancer patients who need assistance securing rides to and from medical appointments. For more information about York Hospital transportation services call (207)351-3413.

Thank you to all who share their generous comments and contributions in honor of excellent care received. It is our mission to enhance the health & wellness of the communities we serve.

*I had the best experience I've ever had at any ER. Both doctors were amazing, and the nurses and helpers were just as good. I want to thank them for treating me with care and kindness. I truly appreciate the experience I had". ~ Cory S., Grateful Patient*
